- For payment orders / transactions up to the amount of €10,000 (or the equivalent in another currency), the exchange rate (system rate) used is the one listed on the daily exchange rates posted on the Bank's website (www.eurobank.com.cy). For payment orders / transactions of amounts exceeding €10,000 (or the equivalent in another currency), the exchange rate used is as set in each case by the Bank's Global Markets Department (special rate).
- Exchange rate used for the value of payment orders / transactions also applies for any commissions and charges applied for such payments.
- "Outward Payments" are the payments executed to other banks and "Internal Payments" are the payments executed to accounts held with the Bank.
