

Eurobank Cyprus is currently operating a network of eight Banking Centers in all major cities across the island. Based on our solid financial results we continue our dynamic growth and our ongoing support of the Cyprus economy.

The cornerstone of our success is our commitment to relationship management, with high-caliber personnel that aims to provide the highest level of service and advice. Our professionals are carefully selected for their in-depth market knowledge, offering swift, discreet, custom-made high quality solutions that fulfil our clients' needs.

We are currently seeking to recruit a professional individual for the below position:

Compliance Officer – Investment Business Compliance Function (Nicosia)

To coordinate the compliance risk management of the Bank's Investment Services and Activities Sector, and to monitor and review relevant regulatory developments.

Main responsibilities

- Establishment of the appropriate framework and controls for the prompt and ongoing compliance of the Bank with the regulatory framework
- Monitoring of the Bank's compliance with the obligations deriving from the MiFID related regime and capital markets regulation
- Provision of assistance to Management and members of staff in identifying, monitoring and efficiently managing compliance risk and provision of advice to them regarding the impact of relevant laws and regulations
- Provision of advice to the Bank's Business Units regarding the appropriateness and adequacy of the policies and procedures with respect to the coverage of and compliance with new/amended regulatory provisions.
- Design the compliance monitoring programme and ensure the use of appropriate tools and methodologies for monitoring activities and risk assessments.
- Preparation of responses to the Regulator or to external or internal audits
- Verification that new products and procedures comply with the current legal environment and business standards and with any known changes to legislation, regulations, supervisory requirements and business standards
- Guidance, updating and training of the Investment Services and Activities Sector
- Reporting to various management committees and relevant Regulatory authorities.

Qualifications

- Bachelor's and Master's degree in a related field or equivalent professional qualification
- CySec Advanced Certification
- Experience with MiFID
- At least 5 year's working experience in the financial industry sector
- Excellent knowledge of Microsoft Office applications
- Fluent in both Greek and English Language

Personal Characteristics

- Strong analytical skills and attentive to detail
- Excellent organizational and time management skills
- Ability to work under pressure meeting tight deadlines

If you believe that you have the qualifications for the above position, submit your CV by the **20th of February 2020**, to careers@eurobank.com.cy quoting the job title.
