

Eurobank Cyprus is one of Cyprus' largest banking organisations, servicing customers through Wealth Management, Corporate Banking, International Banking, Global markets and Affluent Banking. Our network spans across the island's major city hubs offering the highest level of service. Our professionals are carefully selected for their in-depth market knowledge, offering swift, discreet, custom-made high quality solutions that fulfil our clients' needs.

We aim to link customers to opportunities, enabling businesses to succeed and economies to grow, ultimately helping people accomplish their dreams and realise their ambitions.

We are currently seeking to recruit a professional individual for the position of Senior Risk Manager of the Risk Unit of the Bank.

Senior Risk Manager, Risk Unit (Nicosia)

The Senior Risk Manager will support the Risk Unit for the measurement and management of significant risks inherent in the Bank's activities, and ensure that the Bank has adequate control mechanisms and risk management tools in order to manage risk effectively and efficiently.

Main responsibilities

- Assist the Head of Risk in enhancement and review of credit policies in order to ensure that these reflect the best practice and comply with regulatory guidance and expectations
- Lead initiatives for development of methodologies for the measurement and mitigation of credit risk as well as other financial and non-financial risks
- Ensure that established procedures and processes currently in use by the bank are satisfactory and suggest relevant improvements wherever necessary, in line with regulatory guidance and best practice
- Prepare specifications and instructions, particularly with regard to credit risk recognition, measurement, mitigation and reporting as project manager or part of a team of specialists for implementation of key credit risk related projects
- Assist in the execution of the annual Internal Capital Adequacy Assessment Process (ICAAP) in collaboration with the Finance & Control Unit
- Participation in various Committees related with risk management in order to provide a risk opinion when requested
- Participate in the preparation of the Risk Annual Report
- Preparation of any reports/presentations & analysis that may be required from the Risk Committee, the Executive Committee, the regulatory authorities or other relevant body

Experience and Qualifications

- Minimum 3 - 5 years' experience in a position of responsibility within a bank risk management unit or similar position related to risk management in a prominent consultant firm
- Demonstrated ability to analyze and implement new regulatory policies and industry methodologies on various aspects of risk management
- Have a broad understanding of the main types of financial and non-financial risks (credit, market and operational) as well as new developments in the field of risk management and regulation
- Significant experience in the management, mitigation and monitoring of credit risk
- Experience in at least one other risk management field (e.g. market, operational) apart from credit risk will be considered a strong plus
- Very good knowledge of the regulatory requirements (ECB and CBC directives)

- Bachelor's and Master's degree in Finance, Accounting, Economics, Risk Management or a relevant field
- Very good knowledge of MS Office software
- Excellent awareness and understanding of the banking environment, the economy and the overall local market
- Fluent in both Greek and English language
- Demonstrated ability to lead and complete projects as part of a diversified team of specialists

Personal Characteristics

- Sharp with attention to detail
- Strong analytical skills
- Good personality with a friendly and professional attitude
- Excellent organizational and team working skills
- Ability to work under pressure and meet tight deadlines

If you believe that you have the qualifications for the above position, please submit your CV no later than the **21st of February 2020**, to careers@eurobank.com.cy quoting the job title.
