Note: The Bank on a consistent basis reviews the venues it uses, as provided in the Order Execution Policy. The Bank, if a material change has occurred, will consider making changes to the relative importance of the best execution factors, and to the Execution Venues or execution entities (e.g. brokers) on which the Bank places significant reliance, in meeting the overarching best execution requirement.

Note: Execution of Orders is subject to the Bank's Order Execution Policy (OEP). Summary of the Bank's Order Execution Policy (OEP) is included in the MiFID Information Package – Part 1 General Information document (available at Bank's website at <a href="https://www.eurobank.com.cy">www.eurobank.com.cy</a>).
