- For payment orders / transactions up to the amount of €25,000 (or the equivalent in another currency), the exchange rate (system rate) used is the one listed on the daily exchange rates posted on the Bank's website ([www.eurobank.com.cy](http://www.eurobank.com.cy)). For payment orders / transactions of amounts exceeding €25,000 (or the equivalent in another currency), the exchange rate used is as set in each case by the Bank's Global Markets Department (special rate).
- Exchange rate used for the value of payment orders / transactions also applies for any commissions and charges applied for such payments.
- "Outward Payments" are the payments executed to other banks and "Internal Payments" are the payments executed to accounts held with the Bank.

<sup>1</sup>It should be clarified that if additional costs are incurred by the Bank after the completion of the payment order / transaction, then the Bank reserves the right to pass on additional costs to the customer.
